SCHOOL OF ARCHITECTURE

Architectural Interior Design - ARI
Architecture - ARC
Community and Regional Planning - CRP
Landscape Architecture - LAR

ARI 310L	DESIGN II
Offered on the letter-grade basis only. An introduction to the forms and methods of design for architects and interior designers, with an emphasis on environment, including color, material, and texture. Taught in a studio format by faculty members under the direction of a faculty coordinator. Restricted to students in the School of Architecture. Prerequisite: Architecture 310K and 311K or Architectural Interior Design 310K and 311K with a grade of at least C in each, and registration for Architecture 311L or Architectural Interior Design 311L. same as ARC 310L.	
• 00310 MWF 1000 - 100P	
ARI 311L	VISUAL COMMUNICATION II
Study and application of drawing and other communication skills for designers, including color, light and shadow, and projections. Employs manual and digital techniques. Restricted to students in the School of Architecture. Prerequisite: Architecture 310K and 311K or Architectural Interior Design 310K and 311K with a grade of at least C in each, and registration for Architecture 310L or Architectural Interior Design 310L. same as ARC 311L. also meets with ARI 311L.	
• 00315 TTH 800 - 1100 BUR 216 ROSNER, J	
• 00320 TTH 800 - 1100 BUR 216 ROSNER, J	
ARI 318M	INTERIOR DESIGN HISTORY
Survey of interior design from antiquity through the eighteenth century, including theoretical, social, technical, and environmental forces. Prerequisite: Architectural Interior Design 318K with a grade of at least C. meets with ARI 388K.	
• 00325 TTH 930 - 1100 SUT 2.114 DUDLEY, T	
ARI 520L	DESIGN IV-INTERIORS
Additional hour(s) to be arranged. Explores linkages between multiple interior spaces and the study of spatial thresholds. Investigates individual spaces in relation to the body and the surrounding environment, utilizing a clearly defined program. Restricted to students in the School of Architecture. Prerequisite: Architectural Interior Design 320K, Architecture 415K, and Architectural Interior Design 221K or Architecture 221K, with a grade of at least C in each.	
• 00330 MWF 900 - 100P	
ARI 130	INTERIOR DESIGN INTERNSHIP
Hour(s) to be arranged. Practical application of design procedures in a professional design office. Restricted to students in the School of Architecture. Prerequisite: Architectural Interior Design 530T.	
• 00335	
ARI 530T	DESIGN VI-INTERIORS
Capstone studio with specific design projects from current markets. Application of code issues, regulatory restraints, fire safety, and regulations for accessibility in interiors. Restricted to students in the School of Architecture. Prerequisite: Architectural Interior Design 324K and 530K with a grade of at least C in each. meets with ARI 695.	
• 00340 MWF 100 - 600P	
ARI 434K	CONST II-INT MATLS/ASSEMBLIES
Core concepts in interior materials, assemblies, and systems. Includes material properties, environmental and sustainable issues, attachment, detailing, and product specifications. Projects encourage manipulation and assembly of various material systems. Case studies using material samples, and field trips to sites of fabrication. Restricted to students in the School of Architecture. Prerequisite: Architecture 415K with a grade of at least C. meets with ARI 385L.	
• 00345 TTH 1230 - 330P SUT 2.114 GLASS, T	
ARI 350R	MANAGING THE DESIGN PROJECT
Designed to accommodate 35 or fewer students. Course number may be repeated for credit when the topics vary. Seminar in a variety of topics. Designed to broaden the student's knowledge of interior design and to encourage critical and theoretical thinking in the discipline. Prerequisite: For students in the School of Architecture, upper-division standing; for others, upper-division standing and consent of instructor. meets with ARI 386M, ARC 327R (TOPIC 13), ARC 386M (TOPIC 14).	
• 00350 TH 200 - 500P SUT 2.110 JENNINGS, R	
ARI 560R	ADV DESIGN: INTERIORS
Course number may be repeated for credit when the topics vary. Synthesis of components covered in other interior design courses, such as human aspects, place-making, the interior envelope, transitional spaces, and conceptual processes. Restricted to students in the School of Architecture. Prerequisite: Architectural Interior Design 530T with a grade of at least C and satisfactory completion of a third-year portfolio review. meets with ARC 696, LAR 696.	
• 00355 MWF 100 - 600P	

ADV DESIGN: INTERIORS

Course number may be repeated for credit when the topics vary. Synthesis of components covered in other interior design courses, such as human aspects, place-making, the interior envelope, transitional spaces, and conceptual processes. Restricted to students in the School of Architecture. Prerequisite: Architectural Interior Design 530T with a grade of at least C and satisfactory completion of a third-year portfolio review. meets with ARI 696.

• 00360 MWF 100 - 600P

ARI 362

INTERIOR DESIGN PRACTICE

Business procedures, professional practice, design project control and management, and professional ethics. Documents procedures for interior design. Restricted to students in the School of Architecture. Prerequisite: Upper-division standing or consent of instructor.

• 00365 TTH 930 - 1100 WMB 3.108 ODOM, C

ARI 384K

ENVIRONMENTAL CONTROL I

Designed to accommodate 35 or fewer students. Survey of acoustics, color, light, illumination, and electrical and information systems in architectural interiors. Includes techniques of documentation. Prerequisite: Graduate standing and consent of the graduate adviser. Additional hour(s) to be arranged. meets with ARC 384K.

• 00370 MW 1030 - 1200 SUT 2.114 PYREK, A
M 700 - 800P

ARI 385L

CONST II: INT MATLS/ASSEMBLIES

Additional hour(s) to be arranged. Core concepts in interior materials, assemblies, and systems. Includes material properties, environmental and sustainable issues, attachment, detailing, and product specifications. Projects encourage manipulation and assembly of various material systems. Also includes case studies using material samples, and field trips to sites of fabrication. Restricted to students in the Master of Interior Design, first professional program. Prerequisite: Graduate standing, Architectural Interior Design 385K with a grade of at least C, and consent of graduate adviser. meets with ARI 434K.

• 00375 TTH 1230 - 330P SUT 2.114 GLASS, T

ARI 386M

INSIDE UTOPIA

Course number may be repeated for credit when the topics vary. Prerequisite: Graduate standing and consent of the graduate adviser. meets with ARC 386M.

• 00380 F 900 - 1200 WMB 3.108 FELIZ ARRIZABALAGA

MANAGING THE DESIGN PROJECT

Course number may be repeated for credit when the topics vary. Prerequisite: Graduate standing and consent of the graduate adviser. meets with ARI 350R, ARC 327R (TOPIC 13), ARC 386M (TOPIC 14).

• 00385 TH 200 - 500P SUT 2.110 JENNINGS, R

ARI 388K

INTERIOR DESIGN HISTORY I

Survey of interior design from antiquity through the eighteenth century, including theoretical, social, technical, and environmental issues. Prerequisite: Graduate standing and consent of the graduate adviser. meets with ARI 318M.

• 00390 TTH 930 - 1100 SUT 2.114 DUDLEY, T

ARI 392F

DIGITAL DRAWING/FABRICATION

Focus on advanced visual communication methodologies necessary for architectural generation, translation, and output. Architectural Interior Design 381R (Topic: Digital Drawing and Fabrication) and 392F may not both be counted. Prerequisite: Graduate standing and consent of the graduate adviser. meets with ARC 328F, ARC 381F.

• 00395 MW 830 - 1000 WMB 1.114 JOFRE-LORA, J

ARI 693

MASTER'S DSN STUDIO: INTERIORS

Hour(s) to be arranged. Course number may be repeated for credit when the topics vary. Advanced study in architectural interior design, addressing complex design problems and issues related to various architectural topics. Restricted to students in the Master of Interior Design, first professional program. Prerequisite: Graduate standing and consent of the graduate adviser.

• 00400

ARI 693L

INTERIOR DESIGN CORE STUDIO II

Examination of the elements of interior space and scale, including specific human factors. Particular emphasis on the design, documentation, production, and placement of objects in interiors. Prerequisite: Graduate standing, Architectural Interior Design 693K with a grade of at least C, and consent of the graduate adviser. meets with ARC 694.

• 00405 MWF 100 - 600P

ARI 695

INTERIOR DSGN: TECHNCL STUDIO

Comprehensive studio that focuses on combining the elements that create a thorough interior design. Prerequisite: Graduate standing, Architectural Interior Design 693K and 693L, and consent of the graduate adviser. meets with ARI 530T.

• 00410 MWF 100 - 600P

ARI 696

ADV DESIGN: INTERIORS

Course number may be repeated for credit when the topics vary. Studies advanced problems in interior design and examines design strategies and different phases of design. Topics may focus on interior design as it relates to retail, education, sustainability, and health care. Prerequisite: Graduate standing, Architectural Interior Design 693K and 693L, and consent of the graduate adviser. meets with ARI 560R.

	Course number may be repeated for credit when the topics vary. Advanced topics in architecture and associated disciplines to encourage critical and theoretical thinking. Architecture 327R (Topic 7) and 350R (Topic: Design Process) may not both be counted. Prerequisite: Upper-division standing. meets with ARC 386M (TOPIC 8).					ARC 335M	CONSTRUCTION V				
	• 00745	M	600 - 900P	SUT 2.110	MILOVANOVIC-BERTRA		Advanced analysis of building envelope, assemblies, detailing, and specifications. Restricted to students in the School of Architecture. Prerequisite: Architecture 435L with a grade of at least C and registration for ARC 561C.				
	13-MANAGING THE DESIGN PROJECT						• 00805	TTH	1230 - 200P	GOL 2.110	SIMON, K
	Designed to accommodate 35 or fewer students. Course number may be repeated for credit when the topics vary. Advanced topics in architecture and associated disciplines to encourage critical and theoretical thinking. Architecture 327 (Topic 13) and 350R (Topic: Managing the Design Project) may not both be counted. Prerequisite: Upper-division standing. meets with ARI 386M, ARI 350R, ARC 386M (TOPIC 14).					ARC 342D	FRANK LLOYD WRIGHT: DES/MTD/TH				
	• 00750	TH	200 - 500P	SUT 2.110	JENNINGS, R		Offered on the letter-grade basis only. A comprehensive study of Frank Lloyd Wright's life and work with emphasis on the analyses of his design methods and theories. Only one of the following may be counted: Architecture 342D, 368R (Topic: Frank Lloyd Wright), Architectural Interior Design 342D. same as ARI 342D. also meets with ARC 395D.				
	15-POETICS OF BUILDING						• 00810	T	200 - 500P	WMB 4.118	ALOFSIN, A
	Course number may be repeated for credit when the topics vary. Advanced topics in architecture and associated disciplines to encourage critical and theoretical thinking. Architecture 327R (Topic 15) and 350R (Topic: Poetics of Building) may not both be counted. Prerequisite: Upper-division standing. meets with ARC 386M (TOPIC 16).					ARC 342F	HIST/THEORS LANDSCP ARCH II				
	• 00755	M	900 - 1200	SUT 3.112	COKER, C		Continuation of Architecture 342D through the modern period to contemporary times. Formal and cultural history of gardens, parks, and public landscapes from 1700 to about 1990. Includes comparative material from the contemporary period, 1980 to 2010. Architecture 342F and 368R (Topic: History and Theories of Landscape Architecture II) may not both be counted. Prerequisite: Upper-division standing; for students in the School of Architecture, Architecture 318L with a grade of at least C; for others, consent of instructor. meets with LAR 388L, ARC 395F, URB 353.				
	17-SOLAR GEOM/ENERGY FLOW BLDG						• 00815	MW	930 - 1100	SUT 2.112	BENES, M
	Designed to accommodate 35 or fewer students. Course number may be repeated for credit when the topics vary. Advanced topics in architecture and associated disciplines to encourage critical and theoretical thinking. Architecture 327R (Topic 17) and 350R (Topic: Solar Geom/Energy Flow in Bldg) may not both be counted. Prerequisite: Upper-division standing. meets with ARC 386M (TOPIC 19).					ARC 342K	REPSNT LNDSCP/ARCH 1500-2015				
	• 00760	M	700 - 1000P	SUT 2.112	WHITSETT, D		Offered on the letter-grade basis only. Explores the roles of visual representation in design and professional practice from Leonardo da Vinci to the digital age. An overview of the history of techniques, media, and conventions of representation in architecture and landscape architecture and in their intersections. Includes some drawing and painting. Architecture 342K and 368R (Topic: Representing Landscape and Architecture, 1500-2015) may not both be counted. Prerequisite: Upper-division standing; for students in the School of Architecture, Architecture 318L with a grade of at least C; for others, consent of instructor. meets with ARC 395K, LAR 395K.

	Course number may be repeated for credit when the topics vary. Advanced topics in architecture and associated disciplines to encourage critical and theoretical thinking. Architecture 327R (Topic 18) and 350R (Topic: Timber Technologies) may not both be counted. Prerequisite: Upper-division standing.					ARC 342R	GOTHAM/MODERN ARCHITECTURE				
	• 00765	W	900 - 1200	WMB 3.108	DANGEL, U		Course number may be repeated for credit when the topics vary. Seminars and lecture/seminars on advanced topics in the history of architecture. Prerequisite: For students in the School of Architecture, Architecture 318L with a grade of at least C and upper-division standing; for others, upper-division standing. meets with ARC 388R.				
ARC 328D	ADVANCED DRAWING						• 00825	W	900 - 1200	WMB 3.116	ALOFSIN, A
	Focus on personal design methodology by exploring multiple drawing methods, skills and approaches including manual, digital, and hybrid techniques. Refines design communication skills by pairing clearly articulated design intention with compelling drawings, and expressing them via effective verbal presentations. Architecture 328D and 351R (Topic: Advanced Drawing: Draw Blood) may not both be counted. Prerequisite: Upper-division standing and Architecture 520L with a grade of at least C, or consent of instructor. meets with ARC 392D.						HIST OF AMERICAN CITY-BLDG				
	• 00770	M	630 - 930P	GOL 2.110	BLOOD, J		Course number may be repeated for credit when the topics vary. Seminars and lecture/seminars on advanced topics in the history of architecture. Prerequisite: For students in the School of Architecture, Architecture 318L with a grade of at least C and upper-division standing; for others, upper-division standing. meets with CRP 392C (TOPIC 1), ARC 388R, URB 353.				
ARC 328F	DIGITAL DRAWING/FABRICATION						• 00830	T	200 - 500P	SUT 2.110	HOLLERAN, M
	Focus on advanced visual communication methodologies necessary for architectural generation, translation, and output. Architecture 328F and 351R (Topic: Digital Drawing and Fabrication) may not both be counted. Prerequisite: Architecture 520L with a grade of at least C, or consent of instructor. meets with LAR 392F, ARC 381F, ARI 392F.						PROF DSGN PRAC: BAROQ ROME				
	• 00775	MW	830 - 1000	WMB 1.114	JOFRE-LORA, J		Designed to accommodate 35 or fewer students. Course number may be repeated for credit when the topics vary. Seminars and lecture/seminars on advanced topics in the history of architecture. Prerequisite: For students in the School of Architecture, Architecture 318L with a grade of at least C and upper-division standing; for others, upper-division standing. meets with LAR 388, ARC 388R.				
ARC 328W	WOOD DESIGN						• 00834	T	200 - 500P	BTL 101	BENES, M
	Practice on basic woodworking skills: tool sharpening, layout, millwork, joinery, gluing, sanding, and finishing. Architecture 328W and 351R (Topic 11) may not both be counted. Prerequisite: Upper-division standing and Architecture 520L with a grade of at least C, or consent of instructor. meets with ARC 392W.						SECRET KNOWLEDGE MSTR BLDRS				
	• 00780	TTH	230 - 530P	GOL 1.108	MACEK, M		Course number may be repeated for credit when the topics vary. Seminars and lecture/seminars on advanced topics in the history of architecture.
